

MADE THE TRIP
IN TEN HOURSRoosevelt Broke the Record for
Yosemite Travel.

THE DISTANCE WAS 69 MILES

PARTY NEEDED BATHS WHEN
THEY REACHED TRAIN.

Berenda, Cal., May 18.—President Roosevelt broke all road records for Yosemite park travel today, when his coach came from Yosemite to Raymond, where his train awaited him, in ten hours of actual travel. The distance is sixty-nine miles. The president passed last night in camp at Bridal Veil Falls, a few miles from the postoffice at Yosemite. He slept soundly and when he awoke this morning declared he had never felt better in his life. His horse bore out his words. He had lost all appearance of being tired and his eye was bright. The members of his party, who had passed Saturday afternoon and Sunday at Yosemite, joined the president at the falls. Here he bid good-bye to his guides, Lydell and Leonard, and mounted to his seat on the coach beside the driver. The morning was cool and clear, and the dust was not as bothersome as on the trip into the valley.

No incident occurred to mar the pleasure of the drive, and the coach rolled into Wawona shortly before 11 o'clock. Here luncheon was taken and at 12:30 the trip to Raymond was begun. The driver of the president's coach was on his mettle, and he put his horses to their best pace. When Wawona was reached the party alighted and light refreshments were served. The run from Wawona to Raymond was the dustiest of the trip, and the president and his traveling companions were badly in need of baths when they reached their train. An escort of cavalry from Fort Wadsworth, which is situated at Wawona, accompanied the president to Raymond. When Berenda was reached the president found a large crowd gathered to greet him.

A special train from Fresno brought members of the chamber of commerce and their friends, and they warmly greeted the president as he appeared on the rear platform of his car. He made a brief address, thanking the people for coming to see him.

BACKACHE.

Backache is a forerunner and one of the most common symptoms of kidney trouble and womb displacement.

READ MISS BOLLMAN'S EXPERIENCE.

"Some time ago I was in a very weak condition, my work made me nervous and my back ached frightfully all the time, and I had terrible head aches."

My mother got a bottle of Lydia E. Pinkham's Vegetable Compound for me, and it seemed to strengthen my back and help me at once, and I did not get so tired as before. I continued to take it, and it brought health and strength to me, and I want to thank you for the good it has done for me."

NO CHANCE FOR IMHAUS.

Salt Palace Owners Say Myers Will
Run the Resort.

If Louis Imhaus returns to Salt Lake and claims the management of the Salt Palace there is likely to be trouble, and plenty of it, too. John Myers will stand his ground, and the owners of the Salt Palace will stand by him of their support.

Imhaus' contract required him to appear in April 1, and he did not. F. E. Scheidt, manager of the bicycle track, who went to see Myers will not reply to letters or telegrams, and dropped out of sight completely. When the time expired he had not heard of him. Mr. Myers was given charge of the place, and the owners, stated today that Mr. Imhaus had forfeited all his rights and would not be recognized. The Salt Palace will open May 23, under Mr. Myers' management. He is now in Denver, arranging to have this place put on the circuit for summer shows. This will give Salt Lake the best in the west.

HIS SCALP IN DANGER.

Postal Clerk to Show Cause Why He
Should Not Be Dismissed.

Washington, May 18.—Second Assistant Postmaster Shallenbarger today directed that Sevid Schibby, a railroad postal clerk at Kansas City, show cause why he should not be dismissed for molesting saloons for the government for the purpose of securing postal employment. There are 3,000 railroad postal clerks in the country and the purpose is to prevent widespread movement having in view the prosecution of a claim which the clerks have against the postoffice department. The designated headquarters of these clerks is the route on which they are made, and not the city or town where they are employed. The postoffice department is at the disposal of the clerks in the pending in the court of claims in this city involving this question of their traveling expenses.

Mr. Shallenbarger today sent the following letter to Captain James H. Smith, general superintendent of the railway mail service:

"I am referring to your letter of the 15th inst., suggesting that the action of Sevid Schibby, a railroad postal clerk at Kansas City, in attempting to act as attorney for railroad postal clerks in bringing suits against the government for traveling expenses is in violation of section 429 of the revised statutes, you are requested to call upon Mr. Schibby to show cause why he should not be dismissed from the service for his action in the matter. When your reply shall have been received, a question will be given consideration as to whether or not the matter should be referred to the attention of the department of justice."

CLARK AGAIN HONORED.

Elected Grand Chief of the Order of
Railway Conductors.

Pittsburg, May 18.—The twenty-ninth biennial convention of the O. R. C. will end tomorrow. At the session today the following officers were elected: Grand chief, E. E. Clark, compensation increased from \$5,000 to \$6,000 per year; A. E. Garretson, assistant grand chief, compensation increased to \$5,000; J. Maxwell, grand secretary and treasurer, compensation increased to \$2,500; and L. E. Shepard, grand junior conductor, \$2,000 to \$2,500.

At the session today the amendments were adopted and the following resolutions were adopted. The most important were making the insurance reserve fund unlimited; reducing the rate of election to 30 days from 35 days to 30 days; one repealing the resolution of the previous year home for disabled members.

The most interesting question to be considered tomorrow is the election of a place for the next convention. The fight is still between Boston and Portland, with the chances in favor of the latter.

STATUS OF CUBAN TREATIES Will All Be Sent to the Senate Within
a Fortnight.

Havana, May 18.—It is officially stated at the palace that the treaties between the United States and Cuba will be sent to the senate within a fortnight. The senators and representatives expect a final adjournment of congress before the middle of June. The senate committee on foreign relations has not made any move toward the ratification of the naval coaling stations agreement. It is now proposed that the senate authorize President Taft to carry out the agreement regarding the naval bases so as to make unnecessary the adjournment of congress. The Platt amendment has practically been agreed to by President Palma, Secretary of State and United States Minister Squiers. The sale of Pines treaty at present is in abeyance.

Extensive preparations are being made for the public and private celebration next week of Cuba's first anniversary.

PROVO MARSHAL RESIGNS.

As a Result Mayor and Council Are in Tangle.

Provo, May 18.—Mayor Taylor presented the resignation of City Marshal Frank J. Tucker, to take effect June 1, to the council this evening. The resignation was accepted, but the appointment of a successor went over for one week owing to a difference between the mayor and the council on the question of the right to make the appointment. Mayor Taylor thinks he has the right to make the appointment, and the city council thinks it has. Mayor Taylor favors the appointment of former City Marshal Newell, who is a Democrat, while the council is practically unanimous in favor of Joshua V. Jones at present deputy sheriff and fish warden. It is possible that the mayor will appoint him, in which event there will be no friction.

IN POLICE CIRCLES.

Two soldiers came down from the fort to celebrate payday and as a result became so noisy that they were taken to the station in charge. At the station they gave the names of Jesse Smith and A. Grant. As they were being taken to the station another soldier, M. G. Dudley, attempted to jump the officer to release them. With the result that he, too, was taken to jail. In the police court yesterday, Smith and Grant were discharged, while Dudley was given fifteen days in which to reflect on the serious nature of his offense.

Lizzie Clark, an inmate of a Commercial street clinic, was up before the court on a charge of vagrancy. She was given an opportunity to leave town, but Attorney Wantless insisted on a jury trial. She was found guilty and given three months in the county jail.

The two cases that were brought by the food inspector against John Sears and Grace & Schaffer were yesterday decided by Judge Dient in favor of the plaintiff. Sears was charged with feeding his cattle brewer's yeast, while Grace & Schaffer were alleged to have adulterated milk in the city. The jury found in favor of the plaintiff and the defendants were discharged. It is unlawful for a dairyman to sell adulterated milk, even though he himself did not commit the offense. The milk in question was claimed to have been purchased from a dairy, and the defendants declared that they knew nothing of the adulteration.
